Congratulations to Steve and Cyndi Gilbert of Diamond G Rodeo Company, from Toquerville, UT, their bulls stole the show at the Copenhagen Cup Wrangler Tour Finale!!!

Cody Hancock not only ended up the Finale Champion, but rode Diamond G Rodeo Company's -75 Mr USA (Grandson of Ricky) for a 94 to win the final round of the Finale. Bryan McDonald of Probullstats.com commented, "...This is a very good young bull. Got a bit flat for me but he turned back in the gate into Cody's hand and he kept trying the whole time. Right after the whistle blew he brought Cody and they met heads. Cody ended up with a laceration on his chin which I'm sure took several stitches."

The Number 1 bull of the Finale was also owned by Diamond G Rodeo, R410 Copenhagen T-Bug. Bryan Mc Donald stated, " You can call him a Big E but he bucked hard. Lots of drop and he's a big boy and athletic too. Rankest bull at the rodeo. Strap your rope on him. Loops, Two hands, SuperGlue...Whatever you want to try..."

Diamond G also had -73 Spotted Fever at the Finale and Vince Stanton of Team Buckers was only able to hold on for six seconds before the "Fever" got to him.

Buckers / Rodeo Stock Registry wants to congratulate Steve and Cyndi on all of their successes at the Finale and wish them luck. With this kind of showing you will be hearing a lot more from the folks at Diamond G Rodeo Company. Keep Buckin'...!!
